Dear Friends,

I was in school the other day, leading Collective Worship on the topic of Lent, for that is the church season that runs from Ash Wednesday to Easter. By tradition it is forty days long, reflecting the time that Jesus spent in the wilderness being tested and tempted, and over the years other traditions have grown up around it. As a bit of fun, I was asking the children some "Lent Trivia" questions, most of which they got absolutely right, leaving me very impressed indeed. I kept one harder question up my sleeve, "what word is traditionally not said during Lent in some churches?" Hands shot up and the first answer I received was "swear words", a brilliant answer, but not exactly the one I was looking for. Tradition in some churches results in the word "Hallelujah" being omitted from all liturgy until Easter Sunday when the service opens with the words "He is risen, Hallelujah, Hallelujah", and the people respond with "He is risen indeed, Hallelujah, Hallelujah". The word is one that defies translation, a sort of spontaneous out-pouring of joy.

Lent is a time of waiting, a time of reflecting upon our own shortcomings and our relationship with God. Some will give up something for Lent in order to stand alongside Jesus in the wilderness, resisting temptation and thereby feeling a little closer to Him. I have to confess that I am not that good at waiting or reflecting, so Lent is a good time for me to practice both! Signs of new life are all around us as the blossom bursts out and flowers become ever more colourful. It sometimes feels like nature itself is holding its breath until it can join with us to celebrate new life, new beginnings and new hope. For Christians, Easter Day is the ultimate celebration of new life, the time when death itself is defeated once and for all. Do join us. A warm welcome awaits as we can say "Hallelujah" together.

## THE BUZZARDS SPREAD THEIR WINGS!

Lots of Barrow residents and guests have discovered the delights of Soaring with the Buzzards - with various departures every Saturday at 10am from the Famous Blue Horse on the Playing Field. Less well known is the midweek "Forest Buzzards" offshoot flock, which gathers in Delamere Forest on Thursday mornings for a jog on the trails and well-earned caffeine and carb- rich refreshments in one of the forest's excellent cafés.

In recent months the Forest Buzzards have ventured even further afield, into the wilds of North Wales for a series of circular walk forays, again involving dedicated cake and tea/coffee consumption under the expert guidance of our Pyrenean guide, "Chief" John Armstrong. So, if you enjoy being out in the fresh air, great company and maybe a little exploring, join the Buzzards.

**...BREAKING NEWS...** Congratulations to Old Buzzards Fergusson and Armstrong (twice) for completing half-marathons already in 2024, and Junior Buzzard Meg White who has qualified for the English Schools Cross Country Championships - all fantastic achievements  
- Bravo!!

### 1st Barrow Rainbows

1st Barrow Rainbows was started in 2010 springing from a local need from girls finding it difficult to get in to Rainbow units out of the area. We have run a thriving unit since then - with a few changes in leadership, programme and a pause for the unmentionable - but otherwise it has been a busy and happy unit seeing many young girls completing their journey having grown in confidence and several return in their teens to complete D of E volunteering. Sadly, all good things must come to an end and as of July 2025, myself and Juliet Mochrie will step down from our roles as leaders. This is obviously some time in the future but the hope is that we can secure new leaders at some point in this timeline. If you know of anybody who may be interested in this role, or indeed if you fancy it yourself, please contact me. There is plenty of time to come along and learn the ropes alongside myself

and Juliet. Many thanks

### THE ROYAL BRITISH LEGION

Donations to the Poppy Appeal for the 6 wreaths laid on Remembrance Sunday in 2023 plus the donations made on the day amounted to £493.10. On behalf of the British Legion I would like to thank the Church, the School, the Parish Council and the Women's Institute for their donations for wreaths and to the congregation present at the Service for their donations.

**Remembrance Sunday and Poppy Fortnight** are special occasions for donations. It is possible to make donations at any time during the year to support Service Veterans and/or their dependants in a wide variety of ways. Visit the British Legion web site.

## BARROW NEIGHBOURHOOD PLAN

A small team of volunteers from **Barrow Parish** are writing a **Neighbourhood Plan**. This document can establish policies and actions that will reflect our community's needs and aspirations during the next 10-15 years. It will have to be looked at, and taken into account by **Chester Planning Department**, when planning applications are made that affect our village.

Although the **Neighbourhood Plan** primarily relates to planning matters, such as potential new development, this is an opportunity for you to tell us what important issues within the village affect you. From housing and design, to business opportunities and traffic, from our rural and historic environment to services & amenities, and any other matters which are important to you, we need to know so that we can design a document for the whole community.

There are clear government guidelines which we have to follow in order to create a Neighbourhood Plan. **This is your plan**. It is written by us, but we have to show through our consultation, that the contents reflect your needs. We aim to develop our Neighbourhood Plan through an **open and inclusive approach**, and we have arranged a number of consultation dates and times when you can attend and let us know what you think.

We hope that as many of you as possible will come to one of the drop-in sessions which we have arranged. If you have any questions, we can answer them there. **At the Stamford Bridge Inn and at Barrow Community Social Club on Irons Lane**, we will put some money behind the bar, and the first few people to give us their feedback will receive a free drink. There will also be some alcohol served at the evening session of the Village hall, as well as tea and biscuits.

**Later in the year**, we will be sending out a survey to everyone in the village, based on what you have said in these drop-in sessions, so please make sure that your views are included by coming along.

If you would prefer to contact us in writing, please e mail us at **neighbourhoodplan@barrowpc.org**

**LAND OWNERS: PLEASE LET US KNOW IF YOU WANT YOUR LAND TO BE INCLUDED AS A POTENTIAL BUILDING SITE IN OUR SURVEY**

### Barrow Evergreen Circle

At our February meeting Roger Devonside (I misspelt his name previously) gave us a lively illustrated talk on his experiences as he was strapped on to a stand on top of a small plane which then performed aerobatics at air-shows. He needed complete faith in his very competent pilot, having no influence at all on what was happening below his feet. Over the years he raised a great deal of money for cancer charities.

On Monday 4th March David Hearn is coming to see how much we remember of the 1950s. Maybe a few memories of the 60s too as we were really good at that. 2.00 pm in Barrow Village Hall, Visitors always welcome.

Ann Cavenett

A good attendance of Members at the February meeting enjoyed a talk by Roger Ellison titled 'The Upside of Lockdown'. We were taken on a journey, not far from home, with super photos of wildlife on the Wirral. These were taken during Lockdown, when paths and tracks were quiet and wildlife was making the most of the peace in their habitats. Hence there were photos of birds collecting nesting materials, the nests with young and then fledglings taking their first flights. We also saw aerial pictures of The Wirral, the River Dee and the North Wales coast.

The next meeting is on Wednesday 13th March at 2.00pm when we will hear, Francis Illing, a retired London Policeman, talking about 'Life in the Vice Squad'. **The competition is 'A Whistle'.**

## Barrow Brainteasers 11

### Question 1

A little “low-brow” maybe, this one. What links the surnames of: Joe, the Everton manager who won the 1995 FA Cup; Russell, a popular stargazer and “Strictly” shuffler; Bertie, a liquorice company’s mascot; and Ernie, Eric’s partner?

### Question 2

The Mole had been working very hard all the morning, spring-cleaning his little home (under the Rectory garden). First with brooms, then with dusters; then on ladders and steps and chairs, with a brush and a pail of whitewash; till he had dust in his throat and eyes, and splashes of white-wash all over his black fur, and an aching back and weary arms. If he swept for 50 minutes, dusted for 70% of the time he swept and painted for four-ninths of the total time. For how long did the Mole work?

### Question 3

How many degrees do the internal angles of a triangle add up to? If two angles in a triangle are 37 degrees and 74 degrees, what is the size of the third angle? If the three angles are  $n$ ,  $2n$  and  $3n$ , what is the size of  $n$ ?

### Question 4

On Thursday evening, eight fencers (the ones with swords, not posts or panels) each fence one another (using sabres if you’re interested) once. How many bouts in total? On Sunday afternoon, the same eight decide to play a cup style knockout tournament, with a standard round of quarter-finals, semi-finals and a final. How many bouts now?

### Question 5

I buy 15 Madbury’s eggs and seven Motel Chocolate eggs for £14.70. I eat two of the Motel Chocolate eggs and decide I do not like them. So I go back to the shop and get a full refund on the remaining Motel Chocolate eggs, buying another five Madbury’s at the same time. This costs me 50p. How much do each Madbury’s and Motel Chocolate eggs cost?
