Lots of information in your Barrow News this month Have a good look through so you don't miss anything

#### **Dear friends**

One of my favourite composers, particularly of choral music, is John Rutter (or to give him his full name, Sir John Milford Rutter CBE) and on 24th September, he celebrated his 80th birthday! He is probably best known for his Christmas music, but he has written and arranged a vast repertoire of pieces, ranging from folk songs to requiems and even jazz pieces. I am delighted to say that the Vale Royal Singers, directed by Margaret Corlett will be performing a wonderful selection of his music at a FREE concert in church at 7pm on Friday 10th October.

Whilst casually researching his career for this letter, I learned with great sadness the difficulties he, like so many of us, has endured. For seven years in the mid 80's he struggled with ME, a relatively unknown illness at the time. He married in Clare College Chapel, Cambridge where his son, Nick, was a choral scholar, but where his older son Christopher's funeral took place in 2001, after he was hit by a car as he emerged from choir practice, a tragedy that prompted the moving work Mass of the Children.

Members of St Bartholomew's congregation underwrite the cost of putting on the concert in October, and as a result all proceeds raised on the night from donations, the raffle and purchases of some wonderful produce, go fully to the charity we are supporting this year. It is a small, local undertaking called Foodbags that is feeding children in and around Runcorn who would otherwise go hungry in the school holidays. And when I say go hungry, I do mean that they would go hungry, such is the deprivation in areas so close by.

I hope you will come to listen to such beautiful music and that you will be able to support such a deserving cause.

See you there Rev Julian

KIDS BANK

Don't worry if you're not crafty, save the date, 23rd November, come along and support our talented locals and get a festive jumpstart!

There will be arts & crafts, refreshments and activities for little ones.

Any questions contact Sarah (07471 942747) or Juliet (07825 161932) As we start this new school year I wanted to say thank you and update the community regarding some wonderful celebrations and developments at school. The children returned to school with great enthusiasm and a positive outlook to the year ahead. A wide range of exciting topics and activities are planned and prepared for them to achieve and be curious about their learning.

We have a fantastic new pond which has been extensively renovated and extended to provide an amazing outdoor learning resource. A big thank you to so many members of the Barrow community, PTFA and companies who have helped. I am grateful to Severn Trent who provided, at no cost, the digger, personnel and equipment to clear and prepare the pond. To the fencing and decking companies who have done such a great job in making the space safe and spacious. Also, to the PTFA who provided funds from all their fundraising (especially the very well supported pub quiz), the Co-op and council who both gifted grants towards the project.

Our Forest School now was a new fence all around it, making it more secure. Thank you to the 'Chumpers' (is that the correct spelling?) who provided their labour to clear, cut back and prepare the forest which now is so much lighter.

Our Early Years outdoor area now has a new roof making it more protected against the weather and so much lighter and fresher with it's new painted framework.

Can I please ask for your help spreading the word regarding our open days (Wednesday 1st and Friday 17th October) which have been arranged for prospective parents for all year groups to come and view the wonderful environment and education we provide. In preparation for the open days we are having a community gardening day on Sunday 21st September, any time, support or tea making you could offer would be gratefully received.

I am pleased to say we are now federated with Duddon St. Peter's School where we can offer spaces for 3 years from Barrow to join the nursery class, overseen and managed by the newly federated Governing body of both schools.

As a joint project between the schools we are supporting Claire Knight (who teaches at Duddon) with her visit to a school in Uganda during the October half term. She is going to be speaking to the children in Barrow about her previous visit and how life is at school in Africa. We will be helping to raise money and provide toys, clothes and shoes for the children in the school as well as sharing our love and care for others. If you can help in any way or would like to know more then please contact me at school or vis email (head@barrowce.cheshire.sch.uk) for further information.

For now may I offer you all a big hug from our school community to the wider Barrow community. Please feel free to visit and have a look around.
